

COMPANY PROFILE

SILI PUMP

Your reliable one-stop marine pump solution

www.silipump.com

Who are we

SILIPUMP, the [marine pump](#) specialist in China, is a professional full range of [marine pump supplier](#). Founded in 1999, SILIPUMP has supplied all kinds of marine pump to the clients in marine and offshore industry in both domestic and international market, such as shipyard, shipping company, ship management company, offshore industry company, marine pump service company and so on.

We are the international brand of Zhenhua Pump brand.(pump can be brand in both Zhenhua or SILI). To enlarge a full range of all kinds of marine pump, we also have close cooperation with other marine pump brands in China, such as Tianji, Shunda, Guangning, Botou, Tiantaishan and so on.

Now our marine pumps are more and more recognized by the pump excellent performance, simple operation, and perfect reliability. With reliable quantity, reasonable price, punctual delivery, and complete service, we hope we can cooperate with your esteemed company in the future.

Why us

1. Quality comes firstly.

We only supply the top quality [marine pumps](#) and its spare part from Chinese marine pump brand. Low price usually accompany low quality, so even if the low quality pump seems its price is competitive, we won't accept it.

2. Full marine pump solution.

We only focus on the marine pumps, but we are very specialized them. We devote ourselves to be a one-stop solution of full range marine pumps. By this way, we hope to save purchase cost and simplify purchase procedure for our clients.

3. After-sales service within all pump service life.

Not only we provide full one-year warranty time, but also we are responsible for the after-sales during all the service life for the marine pumps supplied by us.

What we can supply

We are the full range of marine pump supplier, we can supply nearly all kinds of marine pump used on board barges, tug boats, ships, vessels, fixed offshore structure, drilling jack-up rigs and so on.

These pumps are used for [marine cooling pump](#), [ballast pump](#), [general service pump](#), [marine fire pump](#) and [marine bilge pump](#), boiler feed water, condensate water, fresh(drinking) water, sanitary water, bilge & sludge, F.O. transfer, L.O. transfer, F.O. and F.S. cargo pumping, cargo stripping, hydrophone tank unit, and so on.

On the basis of structure difference, these pumps can be divided into marine centrifugal pump, marine gear pump, marine screw pump and other pump types. Centrifugal pump is the mostly widely used pump type. And for sea water, these pump material usually should be in bronze type.

Our marine pumps can be certificated by the main ship classification societies worldwide, such as:

CENTRIFUGAL PUMP, VERTICAL(PART OF OUR SUPPLY)

Model Type	Specification	Type Application			
		Capacity (m3/h)	Head (m)	Power (kw)	
CLH,CLHB Coupling type 2 poles/4 poles Bronze/Cast iron Ejector optional		30~ 500	20~ 100	2.2~ 110	Cooling, Ballast, G/S, Fire fighting Bilge
CISG Closed coupling Bronze/Cast iron Small size		10~ 120	10~ 100	2.2~ 75	Cooling, Ballast, G/S, Fire fighting Bilge
EMC,ESC Closed or coupling Bronze/Cast iron Ejector optional Taiko design		30~ 300	10~ 35	11~ 45	Cooling, Ballast, G/S, Fire fighting Bilge
EMD,ESD Closed or coupling Double suction Ejector optional Taiko design		250~ 1200	10~ 35	45~ 132	Cooling, Ballast, G/S, Fire fighting Bilge
CGW Sewage special Big channel impeller Bronze/Cast iron		3~ 25	6~ 35	0.75~ 11	Bilge, Sewage Sludge
GDL Multistage Boiler pump Stainless steel		3~ 50	5~ 150	0.55~ 75	Boiler pump Feed water

CENTRIFUGAL PUMP, HORIZONTAL(PART OF OUR SUPPLY)

Model Type	Specification			Type Application
	Capacity (m3/h)	Head (m)	Power (kw)	
CIS Coupling type 2 poles/4 poles Bronze/Cast iron ISO 2858 	5~ 250	15~ 125	2.2~ 110	Cooling, Bilge, Fire fighting, Sanitary
CWZ,CBZ Closed or coupling Self-priming Bronze/Cast iron 	8~ 100	15~ 60	2.2~ 55	Cooling, Bilge, Fire fighting, Emergency
CYZ Coupling type Self-priming Cast iron 	10~ 450	20~ 80	4~ 110	Cargo pump (oil or F.S.)
EHC,EHS Coupling type 2 poles/4 poles Bronze/Cast iron Self-priming(EHS) 	5~ 250	45~ 125	2.2~ 110	Cooling, Bilge, Fire fighting, Sanitary
TMC,TMS Closed coupling 2 poles/4 poles Bronze/Cast iron Self-priming(TMS) 	5~ 120	15~ 60	2.2~ 55	Cooling, Bilge, Fire fighting, Emergency
CWX,CXZ,W Vortex (peripheral) Self-priming 	20~ 160	25~ 70	2.5~ 45	Fresh water Sanitary

GEAR PUMP(PART OF OUR SUPPLY)

Model Type	Specification			Type Application
	Capacity (m3/h)	Dif. P (Mpa)	Power (kw)	
KCB, 2CY Horizontal Inter safety valve Inter bearing Max temp 200 C 	1.0~ 150	0.3~ 1.0	1.5~ 75	F.O. transfer L.O. transfer Cargo pump (for oil)
YCB Horizontal High viscosity Circle-arc gear Max temp 300 C 	1.0~ 60	0.6~ 1.6	0.75~ 22	F.O. transfer L.O. transfer High viscosity oil
NYP Horizontal High viscosity Inner gearing 	1.0~ 15	1.0~ 1.6	0.75~ 7.5	High viscosity oil

SCREW PUMP(PART OF OUR SUPPLY)

Model Type	Specification			Type Application
	Capacity (m3/h)	Dif. P (Mpa)	Power (kw)	
G,GS,EH Horizontal type Single screw type Eccentric helical type 	1~ 120	0.3, 0.6	1.5~ 55	Bilge, Sludge
W,2W,2GC Horizontal type Two screw type Inter/external bearing Self-priming 	30~ 1000	0.2~ 1.6	5~ 150	F.O. transfer L.O. transfer Cargo pump (for oil)
3G,3GL,SN Horizontal/vertical Three screw type Inter/external bearing Self-priming 	10~ 200	0.5~ 6	2~ 90	F.O. transfer L.O. transfer Hydraulic oil

OTHER TYPE PUMPS(PART OF OUR SUPPLY)

Model Type	Specification			Type Application
	Capacity (m3/h)	Head (m)	Power (kw)	
CWY Diesel engine Self-priming Fixed/portable 	20~ 160	25~ 70	2.5~ 45	Emergency, Fire-fighting
CP(T),CPJ Ejector pump Good self-priming 	5~ 600	5~ 10	nil	Fire-fighting, Bilge, sludge Cargo stripping
CS,CS(Y) Hand pump Portable type 	0.6~ 3.9	20~ 25	nil	Bilge Sludge
DZ,DZB Piston pump Electrical motor Good self-priming 	0.1~ 10	30	0.12~ 3	Bilge Sludge Cargo stripping
COX Portable type Submersible type No-clogging type 	10~ 500	7~ 40	2.2~ 45	Bilge Fire-fighting
